

YOUR SPONSORING OFFER

WORKSHOP
„Photonic Integrated Circuits -
Mapping Thin-Film Processes
to Industrial Architectures“

June 02 – 03, 2026, Berlin, Germany
Fraunhofer Heinrich-Hertz-Institute HHI

YOUR SPONSORSHIP

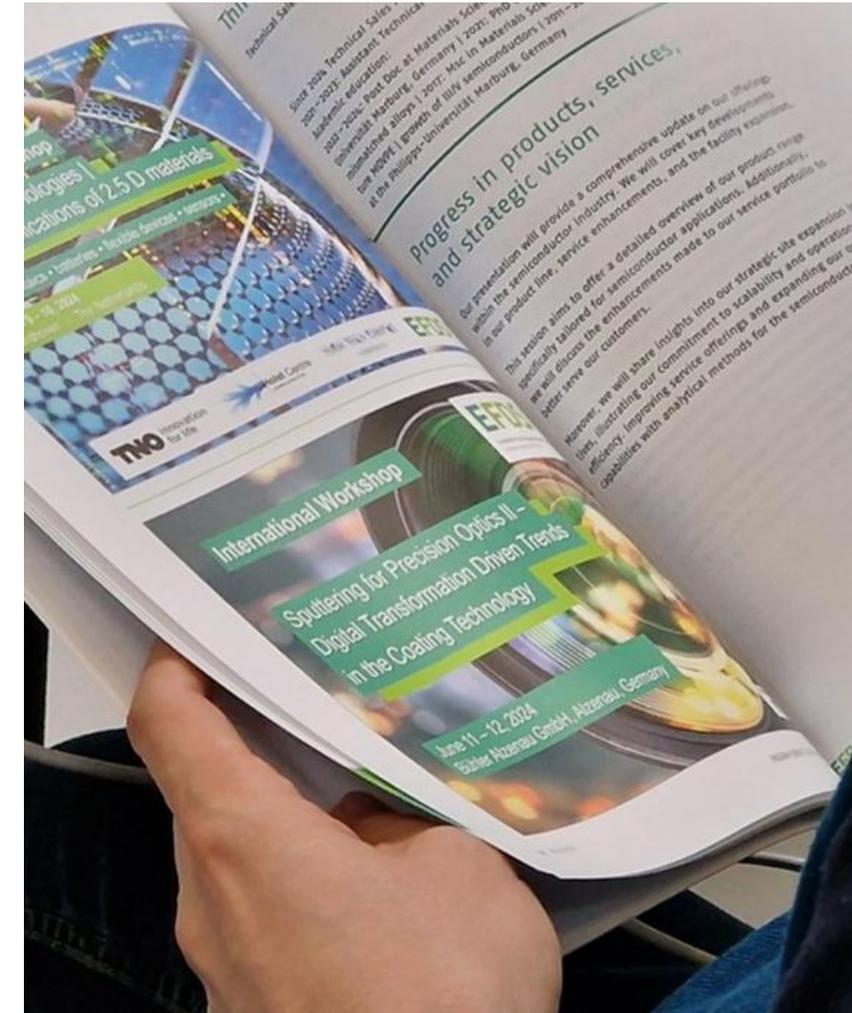

BECOME A SPONSOR!

Take advantage of this first-class opportunity for business development, packed into a top-class event - your customers and business partners of tomorrow will be there!

As a sponsor, you have the opportunity to present your company to a high-caliber target group from research, industry and science.

You benefit from strong visibility in the thin-film industry community and can position yourself as an innovative and responsible player in a promising field of technology.

Make valuable personal contacts with leading experts and potential business partners.
